ARTICULATION AGREEMENT

This Articulation Agreement is entered into by and between Quinsigamond Community College its affiliates, subsidiaries and related corporations (hereinafter referred to as the "School") and Chamberlain University and shall become effective as of the date of the last signature (effective date). This agreement enables School's graduates, employees or faculty who enroll in Chamberlain College of Nursing's online programs or Chamberlain College of Health Professions online programs to receive a waiver of the application fee normally required by Chamberlain University and incorporates all current and future programs offered by Chamberlain University in Massachusetts. In addition, Chamberlain has the ability to offer customized group start options that are designed to encourage Institution's employees to advance their degree.

Transfer Agreement

1. Graduates from School with an Associate Degree in Nursing and proof of RN licensure may be awarded up to 77 proficiency credit hours through the Chamberlain University Articulation Plan (CCAP). This articulation is made explicitly subject to the terms of Chamberlain's admission requirements, academic policies, and program requirements, including but not limited to the Chamberlain academic catalog and student handbook (all of the foregoing collectively referred to herein as the "Chamberlain Policies"). Transfer of courses are considered on an individual basis. Chamberlain may require a catalog, syllabus or additional material. Official transcripts from previously attended institutions are required and the course(s) must be comparable in level and content to the course for which the student is awarded credit. The evaluation includes an analysis of how the courses accepted in transfer meet specific course requirements in the curriculum. In the event of any conflict between or among Chamberlain Policies or elsewhere in this articulation, the terms of the Chamberlain Policies shall prevail.
