## Telegram & Gazette

Vincent D. Rougeau, president of the College of the Holy Cross, will be the keynote speaker Monday at the MLK Jr. Community Breakfast in Worcester.

The event, in its 39th year, is open to the public.

The location of the event will shift to Assumption University this year, due to ongoing construction at Quinsigamond Community College.

This year's event will include a book drive, with attendees asked to donate books to be distributed to second- and third-grade students in Worcester and Southbridge schools. The books should be related to MLK or diversity. The drive is coordinated by the Worcester Area Mission Society and United Congregational Church.
