# INTERNATIONAL STUDENT ACKNOWLEDGEMENT

#### Please read this information carefully before signing this document.

- 1. International students studying in the United States on visas cannot establish a permanent domicile in the United States no matter how many extensions are granted. All international students must pay out-of-state tuition.
- 2. We recommend that students take 15 credits per semester since taking fewer credits may require to complete additional semester to finish the selected program.
- 3. To qualify for and maintain a student visa (F-1 status), students must complete a minimum of 12 credits in the fall semester and 12 credits in the spring semester. F-1 students must take a minimum of 9 credits in a traditional, on campus setting. Any credits above 9 credits can be taken online. Winter intersession and summer session classes are optional.
- 4. International students must demonstrate the ability to read and write in English at a college level. QCC does not offer an ESOL intensive program for international students.
- 5. International students must not accept unauthorized employment or they are subject to deportation.
- 6. All students must comply with the Massachusetts immunization requirement to take classes at QCC. We encourage you to obtain the required vaccines before arriving in the U.S. You must submit proof of vaccination shortly after the start of your first semester. Please visit www.qcc.edu/immunization for more information.
- 7. International students cannot directly apply to any certificate and certain specialized health care degree programs in their first semester at QCC due to mandatory program requirements to be in the United States.
- 8. Students who enroll in classes are responsible for all costs associated with attending QCC. International students are not eligible for any federal or state financial aid programs, including loans. Students are billed for each semester. Current semester charges must be paid in full to register for the upcoming semester. Classes can be dropped for non-payment. Students with an unpaid balance may not be able to remain in-status. Payment plans are available.
- We estimate that you will have the following expenses based on full-time enrollment for an academic year.

Non-resident tuition and fees for 1 academic year (30 credits per year) \$13,780.00\* Living expenses for 12 months \$15,600.00\* Other expenses: \$6,600.00\*

Books (\$1,200.00\*) Transportation (\$1,400.00\*) Mandatory Universal health insurance (\$4,000\*)

> \$35,980.00\* TOTAL

Living expenses are an estimate only. Please prepare for fluctuating cost of living and program-specific fees.

The U.S. Citizenship and Immigration Services (USCIS) department requires international students to present proof of their ability to pay for all of their educational expenses while studying in the United States. Please be advised that to complete your studies at Quinsigamond Community College the cost will be \$71,960.00 (\$35,980.00 per year), at a minimum.

I have read the above statements and fully understand my obligations if I enroll at QCC. I further understand that I am responsible for payment of all debts and liabilities assumed by me while attending QCC.
